OBJECTIVE

AS BUTTERFLIES DO

you will **experience a transformational process** going from the different phases: first as an egg, then as a caterpillar, later a pupa and finally an adult butterfly.

Also, you will **be part of a community** that will give you guidance and support during this metamorphosis in the first quarter of 2023.

*"If an egg is broken by an outside force, life ends.
If broken by an inside force, life begins."*
